Welcome to our new newsletter! This is a new publication of the Hepburn Library of Madrid, at 11 Church Street, Madrid NY! This new endeavor is a labor of love by the staff, trustees and volunteers of the library. A lot happens in our little library, so be sure to check out our Facebook page for up to date information. **Thanks for reading!**

A very special thank you to Janis and Dick Borgia and the hardworking Madrid Dam Music Series Committee and volunteers. Spotlight: *Volunteering at the library*

Volunteers come in many ages, skill levels and dedication. Do you have a few hours, a set time each week or one day a year you can volunteer? Do you know how to fundraise, clean, garden, shelve books or help with events? *Then you can volunteer.* Our volunteers consist of those who serve on our Board of Trustees, those who are members of our Friends of the Library and volunteers who help with programs. If you are interested, please reach out to the staff at the library and we can help to make sure you get the most out of your generosity.

NEW-FINE FREE!

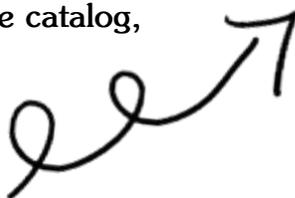

Beginning April 11th, 2019 the Hepburn Library of Madrid will join a handful of other St. Lawrence County Libraries that no longer charge fines for overdue materials. Why did the library decide to go fine free? It's good for our community- we hope this will encourage prior users to come back to the library and to attract new users to experience our offerings. What this means for our community is that you will no longer receive a daily late fine on overdue items. You are still responsible for returning your items, once there are 5 overdue items on your account, privileges will be suspended. The library will still send you reminders about your items. If you have other overdue fines from other libraries in the North Country Library System, you are still responsible for paying these at the library where these fines accrued. If you check out materials while visiting another library in the North Country Library System, you could still be charged fines based on that library's fine policy (some have fines, some do not). Items 45 days or more overdue will be assumed lost and you will be billed for the replacement cost. Past replacement fees and processing charges for lost or damaged items still apply. As always, the library will still accept monetary donations. These donations provide services, critical programming and more. Thank you to our community.

You can borrow books, DVDs, and other items from your library using your North Country Library System card.

Using our online catalog, search for items in all 65 of our member libraries and place holds on them from home. Choose to have all your items delivered to your home library, or change the pickup location to suit you.

You can also access digital resources from our online catalog, including:

- Ebooks, audiobooks, and digital magazines
- Full access to Consumer Reports Online
- Free online classes from [Universal Class](#)
- Online music and art lessons through [Artist Works](#)
- Find articles and research papers using our [reference database](#)
