Historical Committee

The Hepburn Library of Madrid wishes to form a new committee; this committee will be known as the Hepburn Library of Madrid Historical Committee or HLMHC. This committee will primarily serve as a chance to help in the preservation of the Hepburn Library of Madrid's historical documents. HLMHC will also create displays and programs and record library history.

If you are interested in HLMHC, come to our first meeting to be held on September 23rd at 6pm. This meeting will be informational and serve as a chance to recruit members. The meetings will be open to all who are interested in the committee and history of the library.

Spotlight: Water Pitchers

The Men's Club recently presented Madrid Hepburn Library with 10 aluminum pitchers, 10 platters and two dozen vegetable dishes. Also earlier in the year they installed a refrigerator in the library kitchen.

10 were donated in 1956 and only 2 survive today. Does anyone know what the platters or vegetable dishes looked like? Do we still have any of them? Ogdensburg journal.
